

User Manual for ToolTonic.io

Version 1.0

Last Updated: 30-06-2025

Welcome to ToolTonic.io!

ToolTonic.io is an **AI-powered file processing tool** designed to make your digital tasks easier, faster, and more efficient. Our platform offers free, user-friendly tools for:

- **Image Resizing**
- **File Compression**
- **File Conversion**
- **QR Code Generation & Scanning**
- **Photo Collage Creation**

This **User Manual** will guide you through the features, best practices, and policies of ToolTonic.io while ensuring compliance with **Google's website policies** (including **AdSense, SEO, and user data guidelines**).

1. Getting Started

1.1 Accessing ToolTonic.io

- Visit <https://tooltonic.io> on any device (desktop, tablet, or mobile).

- No account or login is required—just open the website and start using the tools instantly.

1.2 Supported Browsers

For the best experience, use:

- ✓ **Google Chrome** (Recommended)
- ✓ **Mozilla Firefox**
- ✓ **Safari**
- ✓ **Microsoft Edge**

1.3 System Requirements

- **Internet Connection:** Stable broadband/Wi-Fi (for large file uploads).
- **Device Compatibility:** Fully responsive on all screen sizes.
- **File Limits:** Max **50MB per file** (varies by tool).

2. How to Use ToolTonic.io's Tools

2.1 Image Resizer

Steps:

1. Click "**Image Resize**" from the homepage.
2. **Upload** an image (drag & drop or click to browse).
3. Adjust settings:
 - Set **width/height** (pixels or %).

- Lock **aspect ratio** (optional).
- Choose output format (**JPEG, PNG, WebP**).

4. **Preview** changes in real-time.
5. Click "**Download**" to save the resized image.

Pro Tip: Use the "**Quality Slider**" to balance file size and clarity.

2.2 File Compressor

Steps:

1. Select "**Compress Files**" from the homepage.
2. Upload a file (**Image, PDF, etc.**).
3. Adjust **compression level** (Low/Medium/High).
4. Preview the reduced file size.
5. Click "**Download Compressed File**".

Note: Supports **JPEG, PNG, PDF, and ZIP** files.

2.3 File Converter

Steps:

1. Click "**Convert File**".
2. Upload your file.

3. Select the **target format** (e.g., PDF to JPG, PNG to WebP).
4. Click "**Convert & Download**".

Supported Formats:

- Images: JPEG, PNG, WebP, GIF
- Documents: PDF to JPG/PNG

2.4 QR Code Generator

Steps:

1. Go to "**Generate QR Code**".
2. Enter a **URL, text, or contact info**.
3. Customize:
 - Color
 - Size (Small/Medium/Large)
4. Click "**Generate QR Code**" and download it.

2.5 Photo Collage Maker

Steps:

1. Select "**Photo Collage**".
2. Upload **2–6 images**.

3. Choose a **layout template** (Grid, Masonry, etc.).
4. Adjust spacing, borders, and background.
5. Click "**Create Collage**" and download.

2.6 QR Code Scanner

Steps:

1. Click "**Scan QR Code**".
2. Allow **camera access** (or upload an image).
3. Hold the QR code in front of your camera.
4. View the **decoded text/link**.

3. Privacy & Data Handling

3.1 How We Process Your Files

- **Client-Side Processing:** Most tools run in your browser; files are **not stored** on our servers.
- **Automatic Deletion:** Uploaded files are **removed after processing**.
- **No Registration Needed:** We don't collect personal data unless voluntarily provided (e.g., feedback emails).

3.2 Google AdSense Compliance

- ToolTonic.io displays **non-intrusive ads** compliant with Google's policies.
- We **do not** use misleading ads or collect sensitive data for ad targeting.

4. Troubleshooting & FAQs

4.1 Common Issues & Fixes

Issue	Solution
File upload fails	Check format/size (max 50MB).
Tool not loading	Refresh or try another browser.
Blurry output	Increase quality slider before download.
Ad blockers interfering	Disable for ToolTonic.io to support us.

4.2 Frequently Asked Questions (FAQs)

Q1: Is ToolTonic.io free?

☑ **Yes!** All tools are 100% free.

Q2: Are my files secure?

🔒 **Yes!** Files are processed in your browser and never stored.

Q3: Why do I see ads?

📢 Ads help keep ToolTonic.io free. We follow **Google AdSense guidelines**.

Q4: Can I convert a PDF to Word?

📄 Currently, we support **PDF to JPG/PNG**—more formats coming soon!

Q5: How do I report a bug?

 Email us at tooltonicapp@gmail.com.

5. Best Practices for Users

5.1 For Faster Processing

- Use **Wi-Fi** for large files.
- Close unused browser tabs.

5.2 For Better Output Quality

- For images, choose **WebP** for smaller size + high quality.
- Use "**Lossless Compression**" for critical documents.

5.3 Ad Experience Feedback

If ads are disruptive, email us so we can improve!

6. Contact & Support

For questions or feedback:

- **Email:** tooltonicapp@gmail.com

7. Legal & Compliance

- **Read Terms of Service**
- **Read Privacy Policy**
- **Google Compliance:** Adheres to **Google AdSense, SEO, and security policies.**

Final Notes

ToolTonic.io is designed to be **simple, fast, and privacy-focused**. We appreciate your trust and welcome suggestions to make it even better!

Happy File Processing! 🚀
